

Army Orientation Session 2017

The second phase of Army Orientation Camp was organized at Muraripukur Govt Sponsored Higher Secondary School on 3rd February 2017 with 55 students of different E2E project schools. A few students among them had participated in 1st phase Army orientation camp held in 2016. The main objective of the camp was to clarify the queries of the students regarding the army recruitment process. **Major Sub C.S Pandey**, Asst Recruitment Officer Eastern Head Quarter and **Mr. Bharat Singh**, through a power point presentation explained in detail the army recruitment process. An open session was kept for the students to clarify their queries.

The orientation helped some of them to raise their aspirations. Earlier they were thinking of joining as Jawans, but after going through the presentation they feel they could aspire to be officers if they follow a planned path. Students who were already in NCC were helped to know how the NCC experience will help them to get entry into the armed forces.
