

District KGBV schools visit

E2E Project is in full swing and the project schools are at various stages of implementing it. CareerHubs have been set up and Student camps are under way. In order to take the program further and to provide hand-holding support, the Vikramshila E2E team went on fieldvisits to participating KGBV schools in Jalpaiguri, Malda, Purulia, Bankura, Murshidabad districts in the month of August'16. The field visits were conducted also to understand their implementation related concerns and encourage better participation. It was an excellent experience for the E2E team! Some of the glimpses of KGBV Schools of different district-

We look forward to more such visits...!!
